1.2. Our responsibilities as accountants

- 1.2.1. You have asked us to help you prepare the financial statements which comply with applicable accounting standards to enable profits to be calculated to meet the requirements of current tax legislation and to provide sufficient and relevant information to complete a tax return. We will compile the financial statements for your approval based on the accounting records that you maintain and the information and explanations you give us.
- 1.2.2. We will plan our work on the basis that no report on the financial statements is required by statute or regulation for the year, unless you inform us in writing to the contrary. We will make enquiries of management and undertake any procedures that we judge appropriate [but are under no obligation to perform procedures that may be required for assurance engagements such as audits or reviews.
- 1.2.3. Our work will not be an audit of the financial statements in accordance with International Standards on Auditing (UK) so we will not be able to provide any assurance that the accounting records or the financial statements are free from material misstatement, whether caused by fraud, other irregularities or error, or to identify weaknesses in internal controls.

- 1.2.4. Since we will not carry out an audit, or confirm in any way the accuracy or reasonableness of the accounting records, we cannot provide any assurance whether the financial statements we prepare from those records will present a true and fair view.
- 1.2.5. We will advise you whether your records are adequate for preparation of the financial statements and recommend improvements on anything we come across during the course of our work.
- 1.2.6. We have a professional duty to compile financial statements that conform with generally accepted accounting principles from the accounting records and information and explanations given to us. The accounting policies on which the financial statements have been compiled will be disclosed in the notes to the financial statements and will be referred to in our accountants' report. We will not compile financial statements if the accounting principles, or the accounting policies selected by management are inappropriate.
- 1.2.7. We also have a professional responsibility not to allow our name to be associated with financial information and financial statements which we believe may be misleading. Therefore, although we are not required to search for such matters, if we become aware, for any reason, that the financial statements may be misleading, we will discuss the matter with you with a view to agreeing appropriate adjustments and/or disclosures in the financial statements. If adjustments and/or disclosures that we consider appropriate are not made or if we are not provided with appropriate information and, as a result, we consider that the financial statements are misleading, we will withdraw from the engagement.

If you wish to share this report with third parties, before doing so, you must discuss this with us, receive our consent and follow any stipulated conditions.
